Additional Filing Requirements: State central committees must file disclosure statements on the 12th day preceding *any other election* (e.g., a special election), complete as of 19 days before the date of such election.

The “Type of Report” corresponds to the financial disclosure reports required by General Statutes § 9-608(c).

State Central Committees must file all reports using the “Itemized Campaign Finance Disclosure Statement” (SEEC Form 20).

The “Period Covered” means the dates for which the committee must report all of its financial activity. The period covered must include the financial activity of the committee beginning the first day not included on the last filed financial disclosure statement and must be complete through 11:59 p.m. of the date of the last day covered. For example, the April 10 filing covers all activity starting at 12:00 a.m. on January 1 and ending at 11:59 p.m. on March 31 (assuming there is no special election during this time).

The “Filing Deadline” is the last date on which the committee treasurer may submit its disclosure filing. In addition, the disclosure filing *may not be submitted* on or before the last day in the period covered. For example, the April 10 filing may not be submitted on March 31 or earlier, since it must cover the period ending on March 31. The earliest this report may be submitted is April 1. Statements filed after the applicable deadline of the filing period will be subject to a mandatory \$100 civil penalty.

Statements are considered timely filed if they are filed electronically via eCRIS before midnight on or before the filing deadline date or if they are **received** by the Commission’s offices by 5:00 p.m. on or before the filing deadline date if delivered by the United States Postal Service, courier service, parcel service or hand delivery. ****NOTE: Effective January 1, 2012, filings sent by mail are no longer considered timely if postmarked by the filing deadline date – they must actually be received by the Commission’s offices by 5:00 p.m. on the filing deadline date in order to be deemed timely. Committees seeking confirmation of receipt should check their committee’s filing status on eCRIS.***
